Computer Science Major Graduation Plan

BENCHMARKS

Benchmark 1 Requirements:

- ☐ CMSC131 or CMSC133
- ☐ CMSC132
- ☐ MATH140
- ☐ A minimum grade point average of 2.0 in all courses taken at UMD
- ☐ A minimum of 45 credits taken at UMD

Notes:

-Students must receive a grade of C- in all coursework.
Not checked. CMSC131 and MATH140 are in progress
Fall 2026. CMSC132 and FIRE198 are Spring 2027,
the 45-credit term.

Benchmark 2 Requirements:

- ☐ CMSC330 and CMSC351
- ☐ STAT4XX or MATH/AMSC/STAT course (w/ MATH141 prerequisite)
- ☐ A minimum grade point average of 2.0 in all courses taken at UMD
- ☐ A minimum of 75 credits taken at UMD

Notes:

-Students must receive a grade of C- in all coursework.
Not checked. MATH240 is Fall 2027. STAT400,
CMSC330, and CMSC351 finish Spring 2028,
the 75-credit term.

STUDENT NOTES/QUESTIONS FOR ADVISOR

- Anticipated graduation date (e.g. Spring 2022): Spring 2030
- Upper Level Concentration (e.g. Math, Stat, Business):
AAAS
- Specialization?
 - ☒ General
 - ☐ Cybersecurity
 - ☐ Data Science
 - ☐ Machine Learning

Only required math: MATH140, MATH141, MATH240, and STAT400. No Calc III, diff eq, or 400-level math.

Concentration is AAAS, not Math: AAAS310, 317, 330, and 402 (12 credits). AAAS100 is already Fall 2026. Total is 120.
FIRE 120, 198 Spring 2027, 298 Fall 2027.
At most two CMSC courses in a term.

GEN ED		COURSE	SEMESTER COMPLETED OR TO BE COMPLETED (e.g. Fall 2020)
Fundamental Studies (FS)	Academic Writing (AW)	CCC College Writing	Prior (CCC)
	Professional Writing (PW)	ENGL393	Spring 2028
	Mathematics (MA)	COMM107	Spring 2027
	Oral Communication (OC)	MATH140	Fall 2026
	Analytic Reasoning (AR)	MATH140	Fall 2026
Distributive Studies (DS) Two courses must be I-Series	Natural Science w/ Lab (NL)	AOSC200 + AOSC201	Fall 2028
	Natural Science (NS or NL)	FMSC123	Prior (CCC)
	History & Social Science (HS)	AP U.S. Government	Prior (AP)
	History & Social Science (HS)	AAAS100	Fall 2026
	Humanities (HU)	HIST201 (APUSH)	Prior (AP)
	Humanities (HU)	CCC World Culture	Prior (CCC)
	Scholarship in Practice (SP)	FIRE120	Fall 2026
	Scholarship in Practice (SP)	FIRE298	Fall 2027
I-Series (IS)	I-Series (IS)	AOSC200	Fall 2028
	I-Series (IS)	AREC280	Fall 2029
Diversity (DV)	Understanding Plural Societies (UP)	HIST201 (APUSH)	Prior (AP)
	Cultural Competency (CC or UP)	AAAS100	Fall 2026

Martin Shijo · UID 122676138 · Computer Science · General track

Minimum plan. Updated 09/27/2026. Graduation Spring 2030. 120 credits. C- or better in every major course.

Math, only what the major requires

- MATH140 in Fall 2026, MATH141 in Spring 2027, MATH240 in Fall 2027, and STAT400 in Spring 2028.
- MATH240 is the one math course the major asks for after Calculus II. Calculus III (MATH241) and differential equations (MATH246) are not required, so they are not on this plan.
- STAT400 is the one 400-level statistics course the major requires. It does not count toward the 12-credit concentration.
- There are no 400-level math courses on this plan.

Upper-level concentration, 12 credits (this part is required)

- The bachelor's degree requires 12 credits at the 300 or 400 level in one subject outside computer science. That block stays. It is not filled with more math.
- The 12 credits are AAAS310, AAAS317, AAAS330, and AAAS402. AAAS100 is already on the Fall 2026 schedule, and it is the prerequisite for AAAS310 and AAAS402.
- Ask the CS advisor to confirm these four before you register. The degree audit does not fill this block on its own. A different subject can replace AAAS. The math list above does not change.

The rest of the degree

- FIRE120 in Fall 2026, FIRE198 in Spring 2027, and FIRE298 in Fall 2027.
- Five 400-level CMSC courses across four areas: CMSC414 (Systems), CMSC420 and CMSC421 (Information Processing), CMSC435 (Software Engineering), and CMSC451 (Theory). Electives are CMSC320 and CMSC425.
- No term has more than two CMSC courses.
- GenEd still to take: COMM107, ENGL393, AOSC200 with the AOSC201 lab, and AREC280 for the second Big Question course. FIRE298 is the second Scholarship in Practice course.
- The total is 120, including 24 transfer credits. The only course that is not a named requirement is a 2-credit elective in Spring 2030. Without it the total is 118, which is short of the university minimum.
- Spring 2030 is 5 credits: CMSC435 and that elective. It is light because nothing else is required. Add a course that term only if you need 12 credits to stay full-time.
