Computer Science Major Graduation Plan

INSTRUCTIONS

- Download the [Computer Science Major Degree Requirements](#) sheet and [Sample Graduation Plan](#)
- Review your [unofficial transcript](#). Confirm that your academic history is accurate, including courses taken at Maryland and all other institutions as well as prior learning credits.
- Begin filling out the graduation plan. Include courses you have previously taken, are currently registered for, and plan to enroll in.
- If the course is a GenEd, specify which requirement(s) the course satisfies (e.g. DSHU and DVUP). Then complete the GenEd section on page 2.
- Familiarize yourself on the Computer Science benchmarks on page 2. Check off which benchmarks you have completed.
- Save your graduation plan as a PDF and submit it to your advisor. Your advisor may ask you to make revisions, which you must address in order to complete your graduation plan.

NOTES

- All students must take 12 credits of 300- and 400-level coursework outside of the major to satisfy the Upper-Level Concentration area.
- Students, regardless of specialization, are required to fulfill their computer science upper level course requirements from at least 3 areas.

YEAR 1	FALL _____			SPRING _____			JANUARY _____		
	Course	GenEd	Cr	Course	GenEd	Cr	Course	GenEd	Cr

Computer Science Major Graduation Plan

BENCHMARKS

Benchmark 1 Requirements:

- ☐ CMSC131 or CMSC133
- ☐ CMSC132
- ☐ MATH140
- ☐ A minimum grade point average of 2.0 in all courses taken at UMD
- ☐ A minimum of 45 credits taken at UMD

Notes:

-Students must receive a grade of C- in all coursework.
Not checked. CMSC131 and MATH140 are in progress
Fall 2026. CMSC132 and FIRE198 are Spring 2027,
the 45-credit term.

Benchmark 2 Requirements:

- ☐ CMSC330 and CMSC351
- ☐ STAT4XX or MATH/AMSC/STAT course (w/ MATH141 prerequisite)
- ☐ A minimum grade point average of 2.0 in all courses taken at UMD
- ☐ A minimum of 75 credits taken at UMD

Notes:

-Students must receive a grade of C- in all coursework.
Not checked. MATH241 is Fall 2027 and covers the
75-credit math benchmark. CMSC330 and CMSC351
are Spring 2028.

STUDENT NOTES/QUESTIONS FOR ADVISOR

• Anticipated graduation date (e.g. Spring 2022): Spring 2030

• Upper Level Concentration (e.g. Math, Stat, Business):
Math

• Specialization?

- X** ■ General
- Cybersecurity
 - Data Science
 - Machine Learning

Concentration is Math, not Statistics.
MATH240, 241, and 246 are 200-level. The
12-credit concentration is MATH401, 406, 462,
and 463. STAT400 stays; the major requires one
STAT 400-level course. Total is 125 because
241 and 246 are added on top of that 12. FIRE:
120, 198 in Spring 2027, 298 in Fall 2027. At
most two CMSC courses per term.

GEN ED		COURSE	SEMESTER COMPLETED OR TO BE COMPLETED (e.g. Fall 2020)
Fundamental Studies (FS)	Academic Writing (AW)	CCC College Writing	Prior (CCC)
	Professional Writing (PW)	ENGL393	Spring 2028
	Mathematics (MA)	COMM107	Spring 2027
	Oral Communication (OC)	MATH140	Fall 2026
	Analytic Reasoning (AR)	MATH140	Fall 2026
Distributive Studies (DS) Two courses must be I-Series	Natural Science w/ Lab (NL)	AOSC200 + AOSC201	Fall 2028
	Natural Science (NS or NL)	FMSC123	Prior (CCC)
	History & Social Science (HS)	AP U.S. Government	Prior (AP)
	History & Social Science (HS)	AAAS100	Fall 2026
	Humanities (HU)	HIST201 (APUSH)	Prior (AP)
	Humanities (HU)	CCC World Culture	Prior (CCC)
	Scholarship in Practice (SP)	FIRE120	Fall 2026
	Scholarship in Practice (SP)	FIRE298	Fall 2027
I-Series (IS)	I-Series (IS)	AOSC200	Fall 2028
	I-Series (IS)	AREC280	Fall 2029
Diversity (DV)	Understanding Plural Societies (UP)	HIST201 (APUSH)	Prior (AP)
	Cultural Competency (CC or UP)	AAAS100	Fall 2026

Martin Shijo · UID 122676138 · Computer Science · General track

Math concentration. Updated 09/27/2026. Graduation Spring 2030. 125 credits. C- or better in every major course.

Math sequence

- MATH140 Fall 2026, MATH141 Spring 2027, MATH241 Fall 2027, MATH246 Spring 2028, MATH240 Fall 2028.
- MATH241 needs MATH141 finished, so it cannot share a semester with Calculus II.
- MATH240, MATH241, and MATH246 are 200-level. They do not count toward the 12-credit upper-level concentration.
- Concentration, 12 credits: MATH401 (needs MATH240), MATH406 (needs 240, 241, or 246), MATH462 (needs 241 and 246), MATH463 (needs 241).
- STAT400 is still required. The major requires one STAT course at the 400 level. It is in Spring 2029. The other STAT courses are gone.
- Total is 125 credits. The minimum degree is 120. The extra 5 credits are MATH241 and MATH246 beyond the courses that were already filling requirements.

Still in place

- FIRE120 Fall 2026, FIRE198 Spring 2027, FIRE298 Fall 2027.
- No term has more than two CMSC courses.
- Areas: CMSC414, CMSC420, CMSC421, CMSC435, CMSC451. Electives: CMSC320 and CMSC425.
- Spring 2030 is 9 credits: CMSC435, MATH462, and MATH463. Add one course that term if you need 12 credits to stay full-time.
